As efficient stewards of the valuable assets available, we will be responsive to the community while planning and preparing for the future.

Call to Order

The City Council will hold a Community Health Committee meeting in the City Council Chambers at City Hall, 3225 Main Street. In order to protect residents, staff, and elected officials due to the novel COVID-19 virus, the frequency and length of public meetings, including the City Council, boards and commissions, will be minimized. Non-urgent and non-essential City business with expected public feedback will be postponed whenever possible. The City of Sweet Home City Council is streaming the meeting via the Microsoft Teams platform and asks the public to consider this option. To view the meeting live visit live.sweethomeor.gov. If you don't have access to the internet you can call in to 541-367-5128 and you'll be asked to choose option #1 to be logged in to the call. Meeting ID 144 730 891#

This video stream and call in options are allowed under Council Rules, meet the requirements for Oregon public meeting law, and has been approved by the Mayor and Chairperson of the meeting.

Dr. Larry Horton reported he is continuing work on the mentoring program presentation to the committee for April 19th.

Adjournment

Good of the Order:

James Page reported on an increase in opioid overdoses believed to be pandemic related. Educational events will be planned as COVID restrictions are lifted.

Bob Dalton discussed a need to educate people on services available to them locally from our regional partners. Feedback from the first few fairs reported that outside agencies weren't made to feel welcome. It is a culture that needs to be changed and has been changing.

With no further discussion or business the meeting adjourned.
