All vendors must check-in PRIOR to any set-up. Upon check in, you will be provided with a vendor packet and be guided to your booth space. Should a vendor set-up in the wrong space, the vendor agrees to move to its proper location at the vendor's own expense and without protest.

***Please be patient during move-in and move-out. Quick tempers and anger do not get anyone moved in or moved out faster. Be very cautious of pedestrians, trucks, forklifts, etc.*

THE SWEET HOME HARVEST FESTIVAL HAS THE RIGHT TO LIMIT VENDORS AND PRODUCTS:

To provide an environment where all vendors have the opportunity to do well, the Harvest Festival Manager at the Harvest Festival has the exclusive right to limit the products sold at the festival and/or deny vendor applications with products that we feel are not conducive of our audience or are already represented.
