Park Board Minutes

April 17, 2017

Call to Order at 8:30am

Attendance: Chairperson Angela Clegg, Nancy Patton, Councilor Dave Trask

Visitors:

Staff: Planning Assistant Katie Wilcox, Interim Public Works Director Joe Graybill

Absent: Mariann Biteman

Welcoming and Introductions / Ideas and Proposals

Chairperson Angela Clegg opened the meeting by recapping some decisions made at the March meeting. She reviewed the decision made to schedule the four meetings mentioned in the ordinance to be held on the third Monday of the following months; December, March, June, and September. They agreed that these meetings would be to discuss and decide on the items listed in the ordinance. They all agreed to commit to those dates, and continue with monthly meetings in between.

Angela went on to let everyone know she will be doing a cleanup in Sankey Park for Earth Day. She asked if Katie could get the garbage pickers for her. Katie explained that Julie had picked those up and let her know they were actually the beautification committees. Katie said she could order some if the Park Board wanted her too. Angela asked her to follow up on that.

The members agreed that May 15th will not work for their meeting time, so it was rescheduled for May 8th, 2017 at the same time and place.

Katie Wilcox asked the Board if they wanted her to proceed with the same Summer Rec events they did last year, being Music in the Park and Movies in the Park. The Board agreed that Katie should move forward on planning those events.

2017 Capitol and Recreation Program

Katie Wilcox explained that before Mike Adams left she believed he had finalized and sent in their budget recommendation requests.

Next Regular Parks Board Meeting – May 8, 2017 @ 8:30AM
