Crew Lead Distribution Job Description
FLSA Non -Exempt

AFSCME: June 2018 to January 2021

Approved by: Ray Young 21 DEC 2020

CREW LEAD DISTRIBUTION

The City of Sweet Home values trustworthy employees with a positive attitude who are willing to offer great service, are committed to customer satisfaction and actively support and uphold the City's mission and values. Professionalism, tact, and strong interpersonal skills are important to be an effective and efficient team member. Day to day responsibilities are unique to each role but contribute to a common direction and a collaborative work environment. Regular attendance is essential for continuity, productivity and success. Practicing good judgement which exemplifies integrity is essential. Employees are to be responsible and accountable for their work and treat others in a respectful and supportive manner. The City encourages employees to develop themselves professionally and personally.

A. SUMMARY:

In a lead capacity, perform and direct the activities of a work crew performing a wide variety of Public Works tasks in the construction, maintenance and repair of the City's water distribution system. Operate all types of public works equipment and ensure safe work practices of crew. Maintain work records and submit related reports as scheduled or requested.

B. SUPERVISION RECEIVED AND EXERCISED:

Work is performed under the direction of the Maintenance Supervisor, or his/her designee, who reviews work on the basis of results obtained. This Crew Lead worker position involves a high level of skills in construction and maintenance work. In lead capacity, responsible for up to three FTE and three temporary/seasonal workers in which, this position carries out supervisory responsibilities in accordance with the organization's policies and applicable laws.

Is under the general supervision and uses independent judgment on a routine basis as directed by the Maintenance Supervisor.
