Upon execution of this agreement, contractor grants to city an irrevocable, nonexclusive license to use contractor's work products created through its services for the project. The license granted under this section permits city to authorize its contractors, subcontractors of any tier, consultants, subconsultants of any tier, and material or equipment suppliers, to reproduce applicable portions of the work products in performing services for the project. Any unauthorized use of contractor's work product for purposes unrelated to the project shall be at city's sole risk and without liability to contractor.

9. **Termination.**

9.1 Termination for Cause. City may terminate this Agreement effective upon delivery of written notice to Contractor under any of the following conditions:

9.1.1 If City funding from federal, state, local, or other sources is not obtained and continued at levels sufficient to allow for the purchase of the indicated quantity of service. This Agreement may be modified to accommodate a reduction in funding.

9.1.2 If Contractor becomes insolvent, if a voluntary or an involuntary petition in bankruptcy is filed by or against Contractor, if a receiver or trustee is appointed for Contractor, or if there is an assignment for the benefit of creditors of Contractor.

9.1.3 If Contractor is in breach of this Agreement, and such breach is not remedied as contemplated by Section 9.2 of the Agreement.

9.2 Breach of Agreement

9.2.1 Contractor shall remedy any breach of this Agreement within the shortest reasonable time after Contractor first has actual notice of the breach or City notifies Contractor of the breach, whichever is earlier. If Contractor fails to remedy a breach within three (3) working days of its actual notice or receipt of written notice from the City, City may terminate that part of the Agreement affected by the breach upon written notice to Contractor, may obtain substitute services in a reasonable manner, and may recover from Contractor the amount by which the price for those substitute services exceeds the price for the same services under this Agreement.

9.2.2 If the breach is material and Contractor fails to remedy the breach within three (3) working days of receipt of written notice from the City, City may declare Contractor in default, terminate this Agreement and pursue any remedy available for a default.

9.2.3 Pending a decision to terminate all or part of this Agreement, City unilaterally may order Contractor to suspend all or part of the services under this Agreement. If City terminates all or part of the Agreement pursuant to this Section 9.2, Contractor shall be entitled to compensation only for services rendered prior to the date of termination, but not for any services rendered after City ordered suspension of those services. If City suspends certain services under this Agreement and later orders Contractor to resume those services after determining Contractor was not at fault, Contractor shall be entitled to reasonable damages actually incurred, if any, as a result of the suspension.

9.2.4 In the event of termination of this Agreement due to the fault of the Contractor, City may immediately cease payment to Contractor, and when the breach is remedied, City may recover from Contractor the amount by which the price for those substitute services exceeds the price for the same services under this Agreement, along with any additional amounts for loss and damage caused to the City by the breach, and withhold such amounts from amounts owed by City to Contractor. If the amount due Contractor is insufficient to cover City's damages due to the breach, Contractor shall tender the balance to City upon demand.

9.3 Termination for Convenience. City may terminate all or part of this Agreement at any time for its own convenience by providing three (3) days written notice to Contractor. Upon termination under this paragraph, Contractor shall be entitled to compensation for all services properly rendered prior to the termination, including Contractor's and sub consultants reasonable costs actually incurred in closing out the Agreement. In no instance shall Contractor be entitled to overhead or profit on work not performed.

10. No Third-Party Rights. This Agreement shall not create any rights in or inure to the benefit of any parties other than the City and Contractor.

11. Modification. Any modification of the provisions of this Agreement shall be set forth in writing and signed by the parties.

12. Waiver. A waiver by a party of any breach by the other shall not be deemed to be a waiver of any subsequent breach. All waivers shall be done in writing.

13. Indemnification.

13.1 Liability of Contractor for Claims Other Than Professional Liability. For claims for other than professional liability, Contractor shall defend, save and hold harmless City, its officers, agents and employees from all damages, demands, claims, suits, or actions of whatsoever nature, including intentional acts, resulting from or arising out of the activities or omissions of Contractor, its subcontractors, sub-consultants, agents or employees under this Agreement. A claim for other than professional responsibility is a claim made against the City in which the City's alleged liability results from an act or omission by Contractor unrelated to the quality of professional services provided by Contractor.

13.2 Liability of Contractor for Claims for Professional Liability. For claims for professional liability, Contractor shall save, and hold harmless City, its officers, agents and employees, from all claims, suits, or actions arising out of the professional negligent acts, errors or omissions of Contractor, its subcontractors, sub-consultants, agents or employees in the performance of professional services under this Agreement. A claim for professional responsibility is a claim made against the City in which the City's alleged liability results directly from the quality of the professional services provided by Contractor, regardless of the type of claim made against the City.

13.3 Contractor and the officers, employees, agents and subcontractors of Contractor are not agents of the City, as those terms are used in ORS 30.265.

14. Governing Laws. This Agreement shall be governed by the laws of the State of Oregon.

15.4 Contractor shall not permit any lien or claim to be filed or prosecuted against the

City or its property on account of any labor or material furnished and agrees to assume responsibility for satisfaction of any such lien or claim so filed or prosecuted.

15.5 Contractor and any subcontractor shall pay to the Department of Revenue all sums withheld from employees pursuant to ORS 316.617.

15.6 If Contractor fails, neglects or refuses to make prompt payment of any claim for labor or materials furnished to the Contractor or a subcontractor by any person in connection with the Agreement as such claim becomes due, the City may pay such claim to the persons furnishing the labor or material and charge the amount of payment against funds due or to become due Contractor by reason of the Agreement. The payment of a claim in the manner authorized hereby shall not relieve the Contractor from his/her or its obligation with respect to any unpaid claim. If the City is unable to determine the validity of any claim for labor or material furnished, the City may withhold from any current payment due Contractor an amount equal to said claim until its validity is determined and the claim, if valid, is paid.

15.7 If the Contractor fails, neglects or refuses to pay a person that provides labor or materials in connection with the Agreement within 30 days after receiving payment from the City, the Contractor owes the person the amount due plus interest charges that begin at the end of the 10-day period within which payment is due under ORS 279C.580 (4) and that end upon final payment, unless payment is subject to a good faith dispute as defined in ORS 279C.580. The rate of interest on the amount due is nine percent per annum. The amount of interest may not be waived.

15.8 Contractor shall promptly, as due, make payment to any person, co-partnership, association, or corporation, furnishing medical, surgical and hospital care or other needed care and attention, incident to sickness or injury, to employees of such Contractor, of all sums which the Contractor agrees to pay for such services and all monies and sums which the Contractor collected or deducted from the wages of employees pursuant to any law, contract or agreement for the purpose of providing or paying for such service.

15.10 The Contractor must give notice to employees who work on this Agreement in writing, either at the time of hire or before commencement of work on the Agreement, or by posting a notice in a location frequented by employees, of the number of hours per day and the days per week that the employees may be required to work.

15.11 All subject employers working under the Contractor are either employers that will comply with ORS 656.017, or employers that are exempt under ORS 656.126.

Without limiting the foregoing, Contractor expressly agrees to comply with: (i) Title VI of the Civil Rights Act of 1964; (ii) Section V of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990, (iv) ORS 659.425, (v) all regulations and administrative rules established pursuant to those laws; and (vi) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.

15.15 The Contractor represents and warrants that Contractor (i) is not currently an employee of the federal government or the State of Oregon, and (ii) meets the specific independent contractor standards of ORS 670.600.

15.16 If Contractor is a foreign contractor as defined in ORS 279A.120, Contractor shall comply with that section and the City must satisfy itself that the requirements of ORS 279A.120 have been complied with by Contractor before City issues final payment under this agreement.

15.22 Contractor certifies that it currently has a City business license or will obtain one prior to delivering services under this Agreement.

15.23 Any other condition or clause required by law to be in this Agreement shall be considered included by this reference.

16. Confidentiality. Contractor shall maintain the confidentiality, both external and internal, of that confidential information to which it is exposed by reason of this Agreement. Contractor warrants that its employees assigned to this Agreement shall maintain necessary confidentiality.

17. Public City. Contractor shall not use any data, pictures, or other representations of the City in its external advertising, marketing programs, or other promotional efforts except with prior specific written authorization from the City.

20. Mediation/Dispute Resolution

20.1 Should any dispute arise between the parties to this Agreement it is agreed that such dispute will be submitted to a mediator prior to any arbitration or litigation, and the parties hereby expressly agree that no claim or dispute arising under the terms of this Agreement shall be resolved other than first through mediation and, only in the event said mediation efforts fail, through litigation or binding arbitration.
