City of Sweet Home – Disaster Preparedness Planning Services RFP Evaluation Results

November 2, 2021

The scoring team has reviewed the proposals for the Disaster Preparedness Planning Services RFP. Based on the submissions received, it appears that we did not articulate the project goals well enough in the scope. The scoring team has decided to reject all proposals and revise the project scope, then re-issue the RFP. The revised RFP is expected to advertise this fall.

We thank you for participating in our solicitation process and invite your company to pursue the revised RFP upon advertisement. You may subscribe for email notifications of RFP postings on the City website at <https://www.sweethomeor.gov/newsletter/subscriptions>.

If you have any questions or concerns, please do not hesitate to contact me. I may be reached at 541-367-8969.

Sincerely,
Ray Towry
City Manager
