To All
City of Sweet Home – Mahler WRF Improvements Project Phase 1
Notice of Cancellation

October 21, 2022

Dear Bidders,

The City of Sweet Home would like to thank you for bidding on the Mahler WRF Improvements Project Phase 1. Upon evaluation of all bids for the above mentioned project, staff have determined it to be in the City's best interest to cancel this solicitation and substantially re-scope the phasing. Subject to City Council approval, the new project is anticipated to advertise for bid in December 2022. The same list of pre-qualified bidders will be eligible to bid on the project.

We invite your company to bid on the new project upon advertisement. The opportunity will be advertised in the Daily Journal of Commerce and on the City website at www.sweethomeor.gov/rfps. You may also subscribe on the webpage to get email notifications of bid postings.

I may be reached at 541-818-8037 if there are any questions.

Sincerely,
Trish Rice
